

K-Drama Listening Guide

드라마 리스닝 가이드

K-dramas are a goldmine for natural Korean. Here is how to turn binge-watching into real listening practice.

The 3-watch method

- **Watch 1:** English subs — just enjoy and follow the story.
- **Watch 2:** Korean subs — read along and spot words you know.
- **Watch 3:** No subs on a short scene — how much can you catch?

Phrases you'll hear constantly

Korean	Rom.	Meaning
뭐야?	mwoya	what?
진짜?	jinjja	really?
알았어	arasseo	got it
가자	gaja	let's go
미안해	mianhae	sorry
빨리	ppalli	hurry

Keep a "drama notebook": jot one new phrase per episode. Bring it to a K-Chill voice channel to try it out!
