

Voice Channel Prompts

음성 채널 대화 주제

Never run out of things to say. Bring one of these prompts to a K-Chill voice channel and let the conversation flow — in Korean and English.

Warm-up questions

- 오늘 뭐 했어요? — What did you do today?
- 취미가 뭐예요? — What are your hobbies?
- 좋아하는 음식이 뭐예요? — What food do you like?
- 어떤 드라마 봤어요? — What drama did you watch?

Go-deeper prompts

- Why did you start learning Korean / English?
- Describe your hometown in 3 sentences.
- Teach your partner one slang word from your language.
- Plan an imaginary trip to Korea together.

House rule: switch languages halfway so everyone gets to practice. Mistakes are welcome — that's the whole point. 화이팅!
